- 3 Glue the small circles to the sides of the large circle. This is the head and ears. Glue the head to the top of the body.
- 4 Glue on googly eyes. Draw the nose, mouth, ears, and eyebrows with a marker.
- 5 Cut two chenille stems in half. Tape them to the back of the body. Bend them into arms, legs, hands, and feet.
- 6 Glue the other large oval over the chenille stems. Let the glue dry.
