

# Falcons vs Hawks

## Spot the Difference

Falcons and hawks look alike. There are small differences between the two. Can you tell which pictures below show a falcon and which show a hawk?

### DIFFERENCES:

Falcons	Hawks
<ul style="list-style-type: none"> <li>• More gray color patterns</li> <li>• Long, pointed wings</li> <li>• Dark eyes</li> </ul>	<ul style="list-style-type: none"> <li>• More brown color patterns</li> <li>• Short, round wings</li> <li>• Yellow or red eyes</li> </ul>
